## What Makes Nuance Audio Hearing Glasses Unique

### INVISIBLE HEARING AID

Break the stigma with discreet, stylish glasses that seamlessly integrate vision and hearing support.

### OPEN-EAR COMFORT

Lightweight, open-ear speakers offer all-day comfort and avoid pain or irritation often caused by traditional hearing aids.

### ALL-IN-ONE SOLUTION

A comprehensive solution addressing both vision and hearing needs in one elegant device.

### DIRECTIONAL AMPLIFICATION

Enhance speech clarity in noisy environments with directional microphones & beamforming.

### EASY TO USE

Simple to set up on your own with a user-friendly design that does not require audiologist assistance.

*NUANCE IS AVAILABLE ON ALL MANAGED VISION CARE EXCEPT VERSANT*

## Don't Forget to Text Us!

**TEXT INTERSTATE LAB GROUP for QUICK Customer Service Assistance to 800-472-5790 (Mansfield) and 800-564-5546 (Indianapolis)!**

Texting us provides a faster response time than calling in, with no time on hold and all conversations easily accessible in your texting app!

Text us for job status checks, remake requests and general questions.

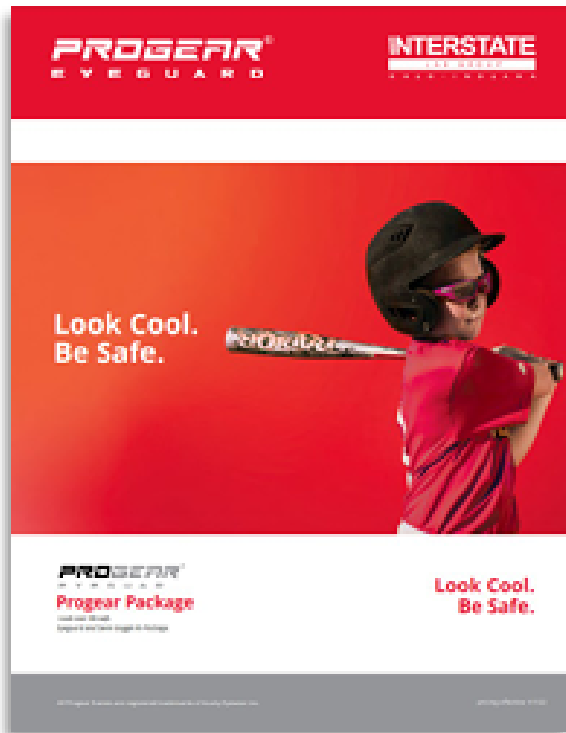

The hours of operation for our texting service are the same as our customer service hours: Monday-Friday, 8:00 am—5:30 pm.

## Progear Eyeguard Sport Goggle Frame and Lens Package

### SPRING IS COMING!

### And so are outdoor sports like Pickleball!

These sports frames provide protection and comfort for your student athlete. No other sports glasses meet these international requirements. Ask your sales representative or one of our Customer Service Representatives for more information on Progear!
